Miridon

Planet - Terrestrial Planet

#049 Stellar Forge © 2025 Arcal Games

Xarnis

Planet - Terrestrial Planet

Add +1 Labour whenever Labour is produced on this planet.

#050 Stellar Forge © 2025 Arcal Games

Pandorae

Planet - Desert Planet

Add +1 Energy whenever Energy is produced on this planet.

#051 Stellar Forge © 2025 Arcal Games

Skothya

Planet - Ice Planet

Add +1 Metal whenever Metal is produced on this planet.

#052 Stellar Forge © 2025 Arcal Games

Ombrian

Planet - Ocean Planet

If this Planet is in a temperate zone, when Labour is produced on this planet for the first time this turn, it produces +2 extra Labour.

#053 Stellar Forge © 2025 Arcal Games

Seraphon

Planet - Desert Planet

If this Planet is in a hot zone, when Energy is produced on this planet for the first time this turn, it produces +2 extra Energy.

#054 Stellar Forge © 2025 Arcal Games

Iridon

Planet - Ice Planet

If this Planet is in a cold zone, when Metal is produced on this planet for the first time this turn, it produces +2 extra Metal.

#055 Stellar Forge © 2025 Arcal Games

Novan Yard

Tech - Planetary Tech

Shipyard. You can produce Ships on this Planet. Ships cost -1 Metal to deploy on this Planet.

6

#059 Stellar Forge © 2025 Arcal Games

Replicator

Tech - Planetary Tech

Planetary Tech costs -1 Labour to construct within your Sector.

7

#060 Stellar Forge © 2025 Arcal Games

City of Life

Tech - Planetary Tech

Players draw +1 Card during their drawstep.

5

#061 Stellar Forge © 2025 Arcal Games

Portal

Tech - Planetary Tech

Portal: Allows navigation to other Portals you own.

5

#062 Stellar Forge © 2025 Arcal Games

Codun Spire

Tech - Defensive Planetary Tech

Provides 4 Shield Defence. : You may Scan 1 enemy ship of your choice which operates within your Sector.

6

4

#063 Stellar Forge © 2025 Arcal Games

Terraformer

Tech - Planetary Tech

Treat this Planet as if it were in all Temperature Zones.

5

#064 Stellar Forge © 2025 Arcal Games

Spy HQ

Tech - Planetary Tech

: Look at target Enemy hand. : Target Enemy discards a card at random.

6

#065 Stellar Forge © 2025 Arcal Games

The Council

Tech - Planetary Tech

You have no maximum handsiz. Whenever an enemy forces you to discard a card, you choose to put that card either on top or bottom of your destiny stack.

6

#066 Stellar Forge © 2025 Arcal Games

Weakstone

Tech - Planetary Tech

The maximum handsiz of all your enemies is decreased by 2.

Rescue 1

Event 12

Navigate your Flagship to your Zone 1 Star.
Flagship jump initialized. Coming home.

#242 Stellar Forge © 2025 Arcal Games

Command Breach 1

Event 12

Gain control of 1 enemy ship within your Sector until end of turn.

A shadow on the crew manifest, and suddenly the ship answers to you.

#243 Stellar Forge © 2025 Arcal Games

Critical Overload 1

Event 12

Destroy a ship with Shield 5 or greater. Cannot target flagships. Any tech within that ship remains floating until end of turn.

Target core integrity breached. Hull integrity no longer relevant.

#244 Stellar Forge © 2025 Arcal Games

Launch Reinforcements 1

Event 12

If you control a Hangar, search up to 2 Pioneer-Class ships from your destiny stack and put them into your hand.

Hangar bays echo as Pioneer thrusters ignite in tandem.

#245 Stellar Forge © 2025 Arcal Games

Rapid Deployment 1

Event 12

You may put 1 Pioneer- or 1 Horizon-Class Ship from your hand to any Star within your Sector without paying 1st resource cost. Treat this Ship as if it were just constructed.

We were ready – just waiting for the call.

#246 Stellar Forge © 2025 Arcal Games

Pulse Strike 1

Event 12

Does 5 Energy Damage to any ship. Use only on a legal target other than a flagship, and only on a ship which is at war.

It struck mid-war. They never saw the light before the burn.

#248 Stellar Forge © 2025 Arcal Games

Overload Burst 1

Event 12

Does 10 Energy Damage to any ship. Use only on a legal target other than a flagship, and only on a ship which is at war.

One burst. No survivors. Only static and wreckage.

#249 Stellar Forge © 2025 Arcal Games

Planetary Logistics 1

Event 12

Draw 2 cards if you have a fully buildt planet.

When planets flourish, the future draws near.

#250 Stellar Forge © 2025 Arcal Games

EMP Pulse 1

Event 12

End a war.

Guns fall silent. The war cycle breaks.

#251 Stellar Forge © 2025 Arcal Games

Alert Condition Red

Event

Until end of turn, all your ships within one battlefield gain defender.

Intel was right. Here they come.

#252
Stellar Forge © 2025 Arcad Games

Aggressive Intel

Event

Draw 3 cards if you attacked this turn.

Aggression breeds insight – when you survive to learn from it.

#253
Stellar Forge © 2025 Arcad Games

Second Horizon

Event

Draw 2 cards if there are 2 Stars in your Zone 2.

Two stars aligned, and with them, an opportunity.

#254
Stellar Forge © 2025 Arcad Games

Far Reaches

Event

Draw 3 cards if there are 3 Stars in your Zone 3.

Three stars, one sky – and eyes wide open.

#255
Stellar Forge © 2025 Arcad Games

Disable Shiptech

Event

Destroy an enemy Shiptech with HP 4 or less.

One misstep in its shield pattern, and the tech was gone.

#256
Stellar Forge © 2025 Arcad Games

Purge System

Event

Destroy an enemy Shiptech with HP 2 or less.

Pinpoint precision. No second strike needed.

#257
Stellar Forge © 2025 Arcad Games

Scan

Event

Scan one enemy Ship.

Captain, we have a reading.

#260
Stellar Forge © 2025 Arcad Games
